

# Activity 1 Acceptance Checklist

## Sign In to Microsoft 365 Copilot and Set the Ground Rules

Learner: \_\_\_\_\_ Date: \_\_\_\_\_ Observer: \_\_\_\_\_

| Done                     | Acceptance check                                        | Evidence / remarks |
|--------------------------|---------------------------------------------------------|--------------------|
| <input type="checkbox"/> | Signed in to the tenant Copilot, not a personal account |                    |
| <input type="checkbox"/> | First prompt run and answer read critically             |                    |
| <input type="checkbox"/> | At least one claim marked for source verification       |                    |
| <input type="checkbox"/> | Do-not-paste list written                               |                    |
| <input type="checkbox"/> | Approved vs prohibited tools understood                 |                    |

**Overall:** ☐ Ready ☐ Revise and retry
